**Workshop 2 Report: "Create 2030 by new Mobility" International Workshop**

9<sup>th</sup> September, 2024

Association for the Promotion of Electric Vehicles (APEV )  
"Create 2030 by new Mobility" Executive Committee

Association for the Promotion of Electric Vehicles (APEV) has held an "EV Design Contest for International Students" five times from 2013 to 2022.

In 2024, considering that participants are from Generation Z and addressing various societal issues such as global warming, the COVID-19 pandemic, an aging society, digital transformation (DX), and green transformation (GX), we are hosting the 6th edition of the "Create 2030 by New Mobility" International Workshop with a significantly updated program content.

We would like to report that Workshop 2 (WS2) was held by the 12 teams that passed the selection process, as detailed below.
