What is the“EV Mobility Design Contest”?

Since 2013, APEV has organized “EV Super Micro Mobility Design Contest for International Students” in conjunction with the Tokyo Motor Show. In 2017 the target is not restricted to the super micro mobility but expanded to electric vehicles in general.

Furthermore, APEV would like to show the concept and scheme of the mobility society in the future and new approaches to the environment issues, with the creativity and planning ability for the designs.
